Transportation Rules and Regulations

The DUSD Transportation department takes pride in the care and cleanliness of our busses and have been working since the March school closures on additional sanitizing and disinfecting practices.

Please See Below for Transportation Rules

Transportation

The DUSD Transportation department takes pride in the care and cleanliness of our busses and have been working since the March school closures on additional sanitizing and disinfecting practices.

PROCEDURES:

- Transportation is only available to students who reside in the Durham Unified attendance zone and have informed transportation that bussing is requested as available.
- The bus driver will take each rider's temperature and may ask a few health questions prior to allowing boarding.
- Parents will need to stay with their children until the bus picks up the student after a "health screen." (Temperature taken and possibly a few questions).
- Masks are required of all riders and bus drivers (except in the case of a medical exemption as outline on page 6). If a student forgets his/her mask, one will be provided. Students who remove or refuse to wear a mask will lose the privilege of riding the bus.
- Hands will be sanitized upon entry on bus.
- Distancing will be enforced to the extent possible based on room and occupancy.
- Students will be seated starting at the back of the bus.
- Busses will be sanitized after each route and at the end of the day.
- Eating and drinking are prohibited on the bus at all times.
