COVID-19 Food Services Announcement

Dear Parent or Guardian;

Durham Unified School District Food Services will provide an opportunity for families to pick up a grab and go style lunch for children 18 and under. This will occur Monday-Friday, beginning March 19 – April 9th between 11:30-12:30 at the following location:

Durham High School Snack Window (located in the quad area next to the multi-use room)

These meals will be available free for anyone 18 and under regardless of what school they attend. No paperwork is required. Children **must be present** in order for meals to be provided. Meals will be provided based on the number of children present.

This program will be solely for the pick-up of meals, and meals will not be consumed on-site. We encourage families to continue to be proactive in reducing the risk of COVID-19 by not congregating at the school site and utilizing social distancing once meals have been distributed.

In light of the recent concerns over COVID-19 we are taking additional precautionary steps, adding to our usual cleaning and sanitizing routines in both the kitchen and the serving lines.

If you have any questions or concerns please do not hesitate to call me at 895-4697 ext. 235
