March 13, 2020

Corona Virus Letter to Parents and Community:

The Durham Unified School District is continuing to closely monitor the outbreak of coronavirus (COVID-19) throughout the state and more importantly here in Butte County. As of today, March 12, 2020, Butte County has zero COVID-19 cases. As always DUSD’s first and most important priorities are the well-being and safety of our students and employees. We are in constant contact with Butte County Public Health to monitor the situation and will update you if any new information is received. At this time, all schools will remain open and we encourage you to follow basic hygiene guidelines: frequent handwashing and keeping students home only if they have symptoms. Please know we have hired additional custodial staff to ensure our classrooms are kept disinfected nightly.

For more information, refer to:

Please refer to the Durham Unified School District website homepage for continuous updates. www.durhamunified.org

Best Regards,

Joanne Parsley
Interim Superintendent
