Durham Families,

In collaboration with other Butte County School Districts and on the recommendation from Governor Newsom and State Superintendent of Schools, Tony Thurmond, there has been a decision to close school districts sites throughout Butte County for the remainder of the school year.

Durham Unified School District continues to be committed to providing a high quality distance learning educational experience for all students. In addition, we will continue to provide free meals to all students age 18 and under.

I will continue to share information as it becomes available and encourage you to frequently visit the Durham Unified webpage at [www.durhamunified.org](http://www.durhamunified.org).

Sincerely,

*Joanne Parsley*
